Register Online at: www.threeriverstraining.org

Our curriculum has been upgraded with the latest information from the Boy Scouts of America. Even though some of this Scout training is offered online we recommend you take these classes with other adult leaders to gain the knowledge of the combined group. If this is a new position or you've moved into a different position in your unit, you can fulfill some of the necessary requirements needed on this day.

Registration Cutoff Date: March 16, 2012
Class Fee: Adults $18.00, Youth $10.00 (Please pay at the door)
Lunch: Will be provided.
